**PROGRAMME OUTCOMES, PROGRAMME SPECIFIC OUTCOMES AND COURSE  
OUTCOMES**

**DEPARTMENT OF SOCIOLOGY**

**PROGRAM- BA, SOCIOLOGY**

**PROGRAM OUTCOMES**

1. The program seeks to develop in students the sociological knowledge and skill that will enable them to think critically and imaginatively about society and social issues.
2. The ability to demonstrate sociological understandings of phenomenon , for example how individual biographies are shaped by social structures, social institutions, cultural practices and multiple axes of difference and inequality.
3. The ability to formulate effective and convincing written and oral arguments.
4. The ability to apply sociological concepts and theories to the real world and ultimately their everyday lives.
5. Field survey is an inseparable part of sociology. Students have to collect primary data for census and analyze the data to draw a conclusion. So quality and quantitative analytical skills are enhanced.

**PROGRAM SPECIFIC OUTCOMES**

1. A sensible observation power is necessary to identify research problem in field study. So a perception about human society slowly grows up.
2. Students of sociology stream have to work beyond the classroom boundary at the time of field study activities. As a result good communication skill develops while interacting with local people.

3. Students have to learn about institution, folkways, culture, social control, social inequality, population composition, population policy, society and culture of India. All these help to instill among the students of sociology a sense of ethical and social responsibility.
4. Students will have the opportunity to join professional careers in sociology and allied fields. Sociology provides an intellectual background for students considering careers in business, social services, public policy, government service, nongovernmental organization etc.
